Mining and Industrial Extension

Mining and Industrial Extension is a unit within the Benjamin M. Statler College of Engineering and Mineral Resources that is composed of two programs: Mining Extension and Industrial Extension.

Faculty

Director
• James M. Dean - M.S.E.M. (West Virginia University)
  Mine Management, Mine Safety and Health, Initial Miner Training

Associate Director
• Thomas C. Mahoney - MA (Johns Hopkins University)
  Manufacturing technology, Management, Product Development, Industrial Policy, Trade, Industrial and International Economics, Industrial R & D, Network

Professor
• Joseph C. Dorton - B.S. (Concord College)
  Mine Foreman Training, Electrical Training, Mandatory Miner Training Courses.

Industrial Extension Specialists
• Robert J. Bailey - MBA (West Virginia College)
  Technical Assistance, Production, Financial Improvement and Human Resources

Mining Extension Agents
• Mark A. Adkins - B.S. (West Virginia University Institute of Technology)
  Mine Foreman Training, Surface and Underground Apprentice Training and Electrical Training
• Warren F. Beam - M.S. (West Virginia College of Graduate Studies)
  PC Specialist, Mine Foreman Training, Surface and Underground Apprentice and Electrical Training
• Joshua Caldwell - B.A. (California University of Pennsylvania)
  Interim Director Mine Academy, Mandatory Miner Training, Mine Rescue, Fire Brigade, First Responder and SCSR Training
• Mark A. Gouzd - A.S. Civil Engineering Technology (Fairmont State University)
  MSHA Certified Instructor, Mine Rescue Instructor, Mine Foreman Instructor and Emergency Medical Technician
• Thomas W. Hall - B.S. (Fairmont State College)
  Mine Foreman Training, Mandatory Miner Training, and Mining Methods
• John D. Martin - B.S. (Bera College)
  Fire Safety Training, Protective Clothing and Equipment
• Douglas Penn - A.S. Economics and Accounting (Penn State University)
  MSHA Certified Instructor, Miner Certification and Mine Examiner Certification
• Steven M. Perkins - B.S. Business (West Liberty University)
  Fire Safety Training and Mandatory Miner Training
• George E. Rannenberg - A.S. Occupational Safety and Health (West Liberty State College)
  Fire Safety Training and Mandatory Miner Training
• Joseph E. Spiker - M.B.A. (Waynesburg College)
  Safety and Health Management, Education Administration, Fire Safety Training
