Admissions for 2026-2027

The following will be considered for admission into the program:

- A completed application received by December 1 is required for admission and to be considered for University fellowships. Late applications will be accepted as space is available.
- A master's degree or equivalent from an accredited university
- A statement of purpose regarding the Ph.D. program describing why the applicant is pursuing a Ph.D. in Business Administration and the applicant's career aspirations upon completion of the degree
- A current résumé
- Two letters of reference
- Official copies of all university transcripts with cumulative GPA scores of 3.0 or better on all undergraduate courses and 3.25 on graduate courses (based on U.S. standard of 4.0)
- An official Graduate Management Admissions Test (GMAT) score is preferred; however, in some cases a GRE (Graduate Record Examination) may be accepted. A high GMAT/GRE score is required for admission to the PhD Program in Business Administration.
- The John Chambers College of Business and Economics' TOEFL requirement for Ph.D. in Business Administration applicants is higher than the University's. Students whose first language is not English must obtain a score of at least 100 on the TOEFL-ibt or a score of at least 7.5 on the IELTS test to be admitted to graduate study. Go to www.toefl.org or www.ielts.org to register and find out more about the test. This is a university requirement.
- International applicants who have received a high school diploma or a bachelor's degree from an accredited college or university in the United States, the United Kingdom, or another predominately English-speaking country (<https://graduateadmissions.wvu.edu/information-for/international->

students/) usually are exempt from the TOEFL/IELTS requirement. However, applicants who only having a master's degree from one of these countries must still provide acceptable TOEFL or IELTS scores.

The entrance requirements are minimum requirements for regular admission. Since there is limited space in each year's class, meeting these entrance requirements does not guarantee admission. Applicants will not be accepted on a provisional basis.

WVU cannot accept scans, uploads, faxes, or unverified photocopies of transcripts as official.

Graduate degree-seeking applicants must send their official transcript from the undergraduate institution that granted the bachelor's degree. It is preferred that official transcripts be sent via an online, secure service such as [eScrip-Safe \(https://escrip-safe.com/signup/\)](https://escrip-safe.com/signup/), [National Student Clearinghouse \(https://studentclearinghouse.org/\)](https://studentclearinghouse.org/), or [Parchment \(https://www.parchment.com/\)](https://www.parchment.com/) to graduateadmissions@mail.wvu.edu.
