Degree Offered

- Master of Arts in Music Industry

MUSIC INDUSTRY - MA

The music industry is a vibrant, multi-billion dollar global industry, vast in scope and reach, offering a product that is deeply ingrained into the fabric of every country and culture, across social strata, around the world. As such, it offers extensive professional opportunities to those who are trained, knowledgeable, and versed in its systems, methods, and practices.

The Master of Arts Program in Music Industry at the School of Music offers such knowledge and training by providing an engaging, systematic, and rigorous course of study leading to analytical, creative, regulatory, and entrepreneurial understanding and skills necessary to succeed in today's complex and challenging music industry field.

The program is offered online as a high quality graduate-level distance-learning opportunity. The program will provide all students possessing appropriate interest, qualifications, and ambition, regardless of their geographic location, access to extensive academic training and acquisition of professional skills necessary for building or furthering their careers in the music industry.
