To receive an offer of aid, a student must be admitted to WVU as a degree seeking student. Students who believe they need financial assistance should apply as early as possible.

**Application Process**

To apply for financial aid, a student must first apply for a US Department of Education Federal Student Aid ID (FSA ID). If the student is considered a dependent student for financial aid purposes, at least one parent must also apply for a Federal Student Aid ID. Students and parents can create an FSA ID at https://fsaid.ed.gov. The FSA ID will enable students and parents to access the Free Application for Federal Student Aid (FAFSA) online, sign the FAFSA electronically, review processed information, correct FAFSA data, and conduct other important business directly with the US Department of Education. Students are advised to save their FSA ID because they will need it for future transactions.

Students can complete the FAFSA at https://fafsa.ed.gov and include WVU’s school code – 003827 – on their application. The FAFSA should be submitted prior to March 1 for full consideration. The FAFSA must be completed each academic year a student would like to be reviewed for financial aid eligibility. The FAFSA must be completed annually for continued consideration for aid.

**Aid Offer Notification**

WVU will receive students’ FAFSA information electronically if the WVU school code was included on the FAFSA. After a FAFSA is reviewed for accuracy, a financial aid award notification will be mailed to first-time freshman and transfer students. Continuing students will receive an email notification.

**Employment Opportunities**

Student employment opportunities are available on-and-off campus job. For assistance go to http://studentemployment.wvu.edu or call the Mountaineer Hub at 304-293-1988.

**In this section:**
- Satisfactory Academic Progress (p. 1)
- Consequences of Withdrawal (p. 1)

**Satisfactory Academic Progress**

Students who wish to receive funds administered by Student Financial Support and Services (http://financialaid.wvu.edu) must make measurable academic progress toward completion of an eligible degree. Regulations require students meet minimum standards for grade point average and successfully complete a minimum percentage of attempted credit hours. The complete Satisfactory Academic Progress Policy (http://financialaid.wvu.edu/home/maintain/academic-progress) is available online.

**Consequences of Withdrawal**

If a student receives federal, state, or institutional financial aid and withdraws from all classes during the semester, the student may be required to return a portion of their financial aid. Refer to the Financial Aid Repayment Policy (http://financialaid.wvu.edu/home/maintain/withdrawing) or the terms and
conditions accompanying other financial awards from WVU. Withdrawing from one or more classes may also impact future financial aid eligibility per the Satisfactory Academic Progress Policy (http://financialaid.wvu.edu/home/maintain/academic-progress).

### Additional Information

For more information on applying and maintaining financial aid eligibility while enrolled at WVU, visit financialaid.wvu.edu.

### Financial Assistance for Graduate and Professional Students

Regular or provisional graduate and professional students admitted to a financial aid eligible program may be eligible for financial assistance through fellowships and scholarships (http://graduate.wvu.edu/funding-and-costs/fellowships-and-scholarships), graduate assistantships (http://graduate.wvu.edu/funding-and-costs/graduate-assistantships-new), tuition waivers (http://graduate.wvu.edu/funding-and-costs/university-tuition-waivers), loans (http://financialaid.wvu.edu/aid-and-scholarships/loans), and other forms of aid (http://graduate.wvu.edu/funding-and-costs). In addition, the Office of Student Employment (http://studentemployment.wvu.edu) can assist students in securing on-campus and off-campus jobs.

Fellowships and scholarships (http://graduate.wvu.edu/funding-and-costs/fellowships-and-scholarships) provide students with funds that do not require employment. Fellowships usually include a stipend, University tuition waiver, College tuition scholarship, and student health insurance, and may also provide funds for research and travel. Scholarships provide funds to help defray students’ educational expenses.

Graduate assistantships (http://graduate.wvu.edu/funding-and-costs/graduate-assistantships-new) may be available through a student’s own department/program or other units on campus. Regular graduate assistantships require 20 hours per week of work and partial graduate assistantships require 10 hours per week of work (typically teaching, research, or service) and provide the student with a stipend, a full or partial waiver of University tuition (but typically not College tuition or University fees; see Tuition, Fees, and Residency (http://financialaid.wvu.edu/cost) and student health insurance (http://studentinsurance.wvu.edu)).

Waivers of University tuition (http://graduate.wvu.edu/funding-and-costs/university-tuition-waivers) may be provided to some students based on merit, employment with the University, or prior participation in certain programs such as McNair Scholars (http://graduate.wvu.edu/funding-and-costs/support-for-mcnair-scholars) or the Health Science and Technology Academy (HSTA (http://graduate.wvu.edu/funding-and-costs/support-for-hsta-graduates)).

The Mountaineer Hub (http://mountaineerhub.wvu.edu) provides information and instruction to students interested in obtaining federal and private loans or Federal Work Study (https://studentemployment.wvu.edu/federal-work-study) positions to help cover educational expenses. To apply for federal support, students must complete the online Free Application for Federal Student Aid (FAFSA (https://fafa.gov)). WVU receives students’ FAFSA information electronically if the WVU school code (003827) is included on the FAFSA. After a FAFSA is reviewed for accuracy, an award notification is sent to the student.
