### **Media Solutions and Innovation**

# **Graduate Certificate in Media Solutions & Innovation CERTIFICATE CODE - CG70**

The Media Solutions & Innovation certificate is offered exclusively online with no on-campus classroom attendance required.

The Media Solutions & Innovation certificate intends to prepare students to become media strategists and futurists who can function as change agents and adaptive leaders within the industry. This certificate program helps students learn about the disruptions in the media industry and how to build industry partners to assist in research and development, discovery, and creating targeted solution pathways to address some of the most challenging media problems.

The program is taught by a diverse faculty who are recognized leaders in their fields.

### **Program Format**

The program's academic year consists of five accelerated terms corresponding to the University's existing parts of term: Early Fall (August–October), Late Fall (October–December), Early Spring (January–March), Late Spring (March–May) and Summer (May–July).
