University Teaching

Graduate Certificate in University Teaching

CERTIFICATE CODE - CG17

Overview
The Certificate in University Teaching is a fifteen credit hour program for graduate students. It includes

• mentored teaching experience
• syllabus development
• instructional design for a diverse set of students
• implementation of instructional theory and techniques
• development of a teaching portfolio

It helps to prepare graduate students for teaching at the college or university level. In this program, students learn to design and teach courses in their discipline while implementing effective instructional techniques, assessment, and self-reflection.

Requirements
Your plan of study for this Certificate includes the following:

1. Pedagogy course
2. Diversity course
3. Instructional excellence course
4. Teaching practicum (student must arrange for a course to teach)
5. Teaching capstone course

However, the curriculum for the Certificate is flexible. You can choose from a large selection of courses. Potentially, a maximum of 6 credit hours from your Master’s or PhD coursework can be counted towards this Certificate.
