Qualifications

WVU Potomac State College is an open admissions institution for West Virginia residents. The principal qualifications for admission are graduation from an accredited high school or high school equivalent diploma through the General Equivalency Degree (GED) tests. Applicants are encouraged to submit ACT or SAT scores, which are used for placement purposes. If space is limited, the better prepared students are admitted.

WVU Potomac State College enrolls a diverse student population. While preference is given to West Virginia residents, qualified students from other states and countries are encouraged to apply. The University is committed to the goal of equal educational opportunity for all students: no candidate is denied admission because of race, religion, color, sex, sexual orientation, marital status, age, handicap or disability, veteran status, or national origin.

The primary focus of the admissions review is on academic potential. All of the required materials submitted by the applicant – application and transcripts - are reviewed carefully.

Applications for admission can be found online at the WVU Potomac State College Admissions webpage.

Veterans

The Office of Academic Affairs offers assistance to veterans who are either enrolled or contemplating college enrollment. Information about the various forms of assistance for veterans is available online at the WVU Potomac State College Admissions webpage under the Apply tab in the Veterans section. Veterans may also contact:

Academic Services Coordinator
Administration Building Room 112 (Academic Affairs Suite)
304-788-7115

Veterans who do not meet minimum admission requirements may be reviewed for admission. Contact the Office of Enrollment Services at go2psc@mail.wvu.edu or 304-788-6820.

Visiting Students Coming to WVU Potomac State College

Students who want to take a course at WVU Potomac State College and have the credit transferred to another college or university must complete the application for admission and select “visiting” for student type. The application can be found at Visiting (Transient) Student | WVU Potomac State College | Admissions | West Virginia University. A new application must be submitted for each term a student wishes to attend. Students who desire to enroll as a visiting (transient) student may do so upon submission of a letter of good standing from the institution that was last attended or an official transcript from that institution.

Students attending a branch campus at either WVU Keyser or WVU Beckley must complete a change of campus form and will not complete the visiting student application.

Admission Revocation

An offer of admission can be revoked if an applicant’s application materials are found to be falsified or if an admitted student engages in behavior that is not in compliance with the WVU Potomac State College Student Conduct Code prior to the first day of classes in the term of admission. If admission is revoked prior to the first day of classes, the admitted student may appeal the action to the Associate Provost for Undergraduate Academic Affairs. An enrolled student may be dismissed from the program or University if the student's
application materials are found to be falsified, consistent with applicable policies or procedures in the Academic Standards (http://catalog.wvu.edu/potomacstatecollegeofwvu/academicstandards/) section of the catalog.

**Readmission**

If a student leaves the College for at least one complete fall or spring semester, an application for readmission must be submitted to the Office of Enrollment Services. Decisions on readmission are based on the student's academic standing.

If a student attended another institution(s), readmission will be based on the WVU academic standing along with academic credit earned at any other institution after leaving WVU. In order to be readmitted, a student must obtain an overall grade point average of 2.0 at all institutions attended since leaving WVU or attain a combined overall grade point average of 2.0 from all institutions attended including WVU.

See Academic Suspension Regulations in the Academic Affairs section.

**Second Degree Students**

College graduates who want to earn a second associates or bachelor's degree are required to submit an application for admission and official transcripts from all institutions previously attended. The Office of Enrollment Services can only accept transcripts sent directly from the Registrars' Office of these institutions. Transcripts issued to the student, or received via fax, scan or email are not considered official. In general, admission is granted on the basis of a minimum cumulative grade point average of 2.0 in the first bachelor's degree. After admission, the college will evaluate the transcript and apply any appropriate credit from the first bachelor's degree toward completion of the second degree. All Credit Residence Requirements (http://catalog.wvu.edu/undergraduate/degree_regulations/#Residency_Requirements) must be met to receive a second bachelor's degree.

**Non-Degree Seeking Students**

Students with one or more bachelor's degrees from accredited colleges or universities (including WVU) who want to enroll for undergraduate credit may be admitted as non-degree seeking students. Candidates for admission to this classification who are not graduates of WVU must submit an application for admission and an official transcript(s) from the institution(s) granting the undergraduate degree. The Office of Enrollment Services can only accept transcripts sent directly from the Registrars' Office of the institution(s) previously attended. Transcripts issued to the student, or received by fax, scan, or email are not considered official. WVU students need only to apply with an undergraduate application.

WVU Potomac State College will admit students who are not degree candidates but who wish to take courses. If students meet University requirements, they should submit a complete application and official transcripts from all institutions previously attended. If students have completed fewer than twelve college-level credits, they should also submit an official high school transcript.

**Academic Forgiveness Policy**

The West Virginia University system may provide academic forgiveness to some undergraduate students who were not successful in an attempt at higher education within the WVU system or who need forgiveness to qualify for admittance.

**POLICIES GOVERNING ACADEMIC FORGIVENESS:**

- For the purposes of admission, the West Virginia University system may honor academic forgiveness granted at a previously attended regionally accredited institution. Students requesting admittance who wish to have a previous grant of academic forgiveness honored must have a GPA of 2.0 or higher in at least 24 earned credit hours after academic forgiveness was applied.
- A student may receive academic forgiveness only once.
- Students requesting academic forgiveness cannot have been enrolled at any higher education institution for at least four calendar years.
- Students who receive academic forgiveness from the West Virginia University system will receive credit for all courses completed with a grade of D- or higher during the forgiven period of enrollment. While all grades and credit hours remain on the student's transcript, grades earned during the forgiven enrollment period will not be counted in the student's GPA.
- After receiving forgiveness, the student must satisfactorily complete all coursework required by the academic unit for graduation and at least 15 credit hours in the WVU system for an associate degree or 30 credit hours for a bachelor’s degree.
- Students who receive academic forgiveness are not eligible to graduate with honors.
- Academic forgiveness does not supersede some calculations used to determine eligibility for Satisfactory Academic Progress (https://financialaid.wvu.edu/home/maintain/academic-progress/) regarding financial aid, scholarships, and the veterans' benefits.
- Some professional programs and other regionally accredited institutions may not honor academic forgiveness conferred by the West Virginia University system. Students receiving academic forgiveness should consult with an academic advisor in the field they wish to pursue.

**PROCEDURE:**

- Students must complete the top half of the Petition for Admission under Academic Forgiveness form located at Academic Forgiveness (https://admissions.wvu.edu/forms-and-procedures/academic-forgiveness/) | WVU Potomac State College | Admissions | West Virginia University (https://admissions.potomacstatecollege.edu/forms/academic-forgiveness/), and provide any requested documentation.
• Students applying for financial aid will need to submit a Free Application for Federal Student Aid (FAFSA) at the Federal Student Aid (https://studentaid.ed.gov/sa/fafsa/) webpage and file a Satisfactory Academic Process Appeal (SAP) if necessary.

• The form is approved by the Dean of Academic Affairs or designee.

• Recommendation for admission under Academic Forgiveness is returned to the Office of Enrollment Services for appropriate processing.

WVU Potomac State Students Seeking Transient Credit

Transient coursework is any coursework taken by a currently enrolled WVU student at another institution.

Students are limited to take a total of 18 credit hours in transient, and only 9 of which may be major specific requirements.

Any coursework taken within one (1) years from a student's last term of enrollment at WVU will be subsequent to university and college specific transient policies.

In order to take a course or courses at another college or university, a student must complete a Transient Credit Application, which can be found at WVU Potomac State College | Admissions | West Virginia University (https://admissions.potomacstatecollege.edu/forms/transient-form/) or at the WVU Potomac State College Admissions (https://admissions.potomacstatecollege.edu/) webpage under the Forms tab. A student and the academic advisor will access the transfer credit database (https://stargos.wvu.edu/argos/?report=4X2TZAZWFACMA2Y4MOBKKJTJBD5E3DBCW75ZBBDSNXYTEY75HRX3Y75S3SD6QU26ECGFM3ZDAO&AutoLogOn) to determine how the course(s) will transfer back to WVU.

For courses not listed, students must request that it be added to the database via the Transfer Equivalency Review Request (https://wvu.teamdynamix.com/TDClient/1976/Portal/Requests/ServiceDet/?ID=22958) (TERR) found at https://wvu.teamdynamix.com/TDClient/Requests/ServiceDet/?ID=22958. In most cases, the review process takes 5 to 10 business days.

• Courses that are not in the database will not be approved to be taken in transient.

• Courses taken in transient at other institutions without proper approval will transfer in as NOEQ 1NT (refer to our main page).

Request transient approval (https://admissions.potomacstatecollege.edu/files/d/e97d3f55-aa92-48c2-a6bb-5bd03e96fc40/transient-app-psc3.pdf) to take a course(s) at another institution. Students will need to download the PDF, complete and save it, and then email it to the academic advisor for review and submission to the Dean's Office for approval.

In addition, an official transcript must be received by the Office of Enrollment Services before any coursework can be counted toward degree requirements. Students cannot choose to transfer courses based on the grades earned. All courses from the institution(s) will be transferred.

International students returning to their home country to take coursework for transient study must complete the Transient Credit Application (https://admissions.potomacstatecollege.edu/forms/). Credit only (not grades) will be transferred to WVU from international institutions.

Immunization Requirements

Requirements for WVU Potomac State College Immunizations (https://admissions.potomacstatecollege.edu/admitted-students/immunizations/) are posted on the Admissions website under Admitted Students.

Change of Address

The address that students submit on their application for admission to WVU Potomac State College is the permanent address that the College uses to mail important documents and information to the respective students.

Students are responsible for notifying the College of any change in their permanent addresses. In order to change an address, students must obtain an Address Update Form from the Office of Enrollment Services and submit the completed form to the same office. Students may also update their address online via the portal at portal.wvu.edu. Click on the Personal Information link.

Pre-Collegiate Examinations - Advanced Placement Program (AP)/College Level Examination Program (CLEP)/International Baccalaureate (IB)

POLICY
Equivalencies for pre-collegiate examinations such as Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP), are established by the academic unit which teaches the subject, based on the following university rules.

- Initially, a maximum of 4 credits is awarded for each single qualifying exam score. In consultation with their Academic Adviser, students may petition for additional credit based on their score and academic circumstances.
- Once an equivalency has been established and a student has requested that a course be recorded on the transcript, it cannot be removed from the student’s record.
- Credit is normally awarded at the 100 level. In some circumstances, departments may request the college or school to award credit for a 200-level course. Credit at or above the 300 level is not granted.
- In certain subjects, direct equivalency to a WVU course is awarded. Many course equivalencies will satisfy General Education requirements.
• Individual programs may decide that non-direct equivalencies fulfill major or minor requirements; equivalencies are reflected in the student's Degree Works audit.

• Examination credit equivalencies posted to the student's transcript count as both attempted and earned credits. Although credit is awarded, no grades are recorded.

• Examination credits are awarded at the point of admission for both freshmen and transfer students. For transfer students, WVU articulates credit based on its established equivalencies. WVU does not honor the articulation made by previous institutions.

• Current students may not earn college credit via CLEP, unless a department does not offer credit-by-examination and the student has secured prior approval.

ADVANCED PLACEMENT PROGRAM (AP)
• Score of 3: equivalent to 3-4 credits of a 100-level course, usually a General Education requirement.

• A score of 4 or better: a direct equivalency may be awarded, at the discretion of the appropriate department. Students may request additional credit when applicable.

• The Advanced Placement chart can be found on the AP, CLEP, IB, Cambridge International and Military Service Credit page on the WVU Office of Admissions website.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)
• Incoming freshmen may request credit equivalencies for CLEP exams they passed at the time of admission to WVU.

• A minimum score of 55 is required to earn credit equivalencies, although some programs may require a higher score.

• The CLEP chart can be found on the AP, CLEP, IB, Cambridge International and Military Service Credit page on the WVU Office of Admissions website.

INTERNATIONAL BACCALAUREATE (IB)
• Standard Level (SL): no equivalencies

• Higher Level (HL)
  • Score of 4 or 5: equivalent to 3-4 credits of a 100-level course, usually a General Education requirement.

  • Score of 6 or better: a direct equivalency may be awarded, at the discretion of the appropriate department. Students to request additional credit when applicable.

• Diploma (DP): students who earn the diploma with a minimum score of 32/45 (71%) will have fulfilled all general education requirements. Coursework will be posted on the transcript according to the established equivalencies.

PROCESS
• AP and IB credits: upon registration for their first semester at WVU, freshman students will work with their advisers to have the appropriate credits posted to their transcripts. In consultation with their adviser, students may petition to have additional credits recorded by filling out a petition, based on the equivalencies established by the academic units found on the AP, CLEP, IB, Cambridge International and Military Service Credit (https://admissions.wvu.edu/how-to-apply/first-time-freshmen/frequently-asked-questions/ap-clep-and-ib-equivalency/) page.

• CLEP exams results must be submitted at the time of admission. If current students wish to earn credits through CLEP because no credit by examination is offered in that subject at WVU, they must secure permission from the chair or director of their academic unit, as well as that of the chair or director of the unit that offers the course, before filling out a petition. Permission is documented by recording a note in Degree Works.

In this section:
• Transfer Students from Divisional Campuses (p. 5)
• Transfer Students (p. 5)
• Transfer Credit Appeal Process (p. 6)

Transfer Students from Divisional Campuses
Students enrolled at WVU Morgantown or WVU Institute of Technology must complete a Change of Campus form to transfer to the Keyser campus. The form can be found under the Forms and Procedures section of the WVU Undergraduate Admissions (https://admissions.wvu.edu/forms-and-procedures/change-of-campus/) webpage. WVU Potomac State College admission requirements must be met.

Transfer Students
Transfers from Other Accredited Institutions
WVU Potomac State College welcomes transfer students who have completed post-secondary coursework from regionally accredited colleges or universities. To be admitted as a transfer student, students must have at least a cumulative 2.0 grade point average in all college work attempted. Transfer students who have fewer than 12 transferable credit hours must also meet freshman admission standards.

Application Materials

To be considered for transfer admissions, the following materials are needed:

1. A completed application for undergraduate admission.
2. Official transcripts of all college work attempted must be sent to the Office of Enrollment Services. Enrollment Services can only accept transcripts sent directly from Registrars’ offices. Transcripts issued directly to the student, facsimile (fax), scanned or emailed transcripts are not considered official. Before final admission is granted, an official transcript must be submitted covering all courses taken after application to WVU Potomac State College.
3. Applicants having fewer than 12 transferable credit hours must submit a final high school transcript.
4. ACT or SAT scores may be used for placement purposes into math and English courses.

Evaluation of Transfer Credit

Evaluation of transferable credit will be made after receipt of all final official transcripts and admission to WVU Potomac State College. All college level credits and grades accepted as transfer credit will be used in the calculation of the cumulative grade point average and total attempted and earned credits.

In all cases, the application of transfer credit toward completion of an associate's or bachelor's degree is determined by the college upon enrollment. The college will determine which credits will be used to meet degree requirements.

Transfer Credit Appeal Process

Students who transfer credits to WVU Potomac State College may appeal decisions on how credits were evaluated. Students opting to appeal a transfer evaluation must appeal to the Office of Enrollment Services within one semester of the transfer. Appeals should be made in writing and provide syllabi or other supporting documents. The Office of Enrollment Services will review the appeal and make any technical corrections to work evaluated as needed. If the Office of Enrollment Services finds no technical error in how the credit was evaluated, the student’s appeal and syllabi will be forwarded to the respective division chair through which the course or similar course is offered and reviewed by the division chair or the chair’s designee for a determination. If it is determined the course in question is not equivalent to an existing course, the appeal will be denied. If the appeal is denied, the student may appeal to the Dean of Academic Affairs. The Dean will convene a panel of faculty members to review the appeal. This panel will decide to either uphold the transfer evaluation as it stands or direct that the evaluation be changed. The Dean will notify all parties to the outcome of the process within 60 days of receipt of the appeal by the Office of Enrollment Services.
