College of Physical Activity and Sport Sciences

Degree Offered
• Bachelor of Science

Nature of Program
Students in athletic coaching education, athletic training, physical education teacher education, sport and exercise psychology, and sport management examine the relationship of play, games, sport, athletics, fitness, and dance to our culture and cultures throughout the world. Their preparation includes the acquisition of knowledge and skills from a vast array of movement activities in addition to an understanding of associated physiological, biomechanical, sociological, psychological, historical, philosophical, and pedagogical principles. Preparation in athletic training is designed to enable students to prevent and treat injuries related to athletic competition.

Graduates in physical education with teaching certification are generally employed as elementary or secondary health and/or physical education teachers and athletic coaches. Graduates in sport and exercise psychology and sport management are employed with professional and collegiate sport enterprises, fitness centers, recreation programs, sporting goods stores, or commercial sporting goods manufacturers, or pursue graduate training in sport and exercise psychology. Athletic coaching education graduates are employed as coaches, strength and conditioning specialists, and work in the health and fitness industry. Athletic training graduates often work in high school, college, professional, and health/medical facilities to help treat and prevent injury.

Programs
Baccalaureate programs offered in the College of Physical Activity and Sport Sciences (CPASS) include athletic training, athletic coaching education, physical education teacher education, sport and exercise psychology, and sport management. The College of Physical Activity and Sport Sciences has available to students minors including:
• personal trainer
• group fitness instructor
• sport and exercise psychology
• sport communication
• aquatic facility management
• strength and conditioning
• sport coaching
• adventure sports leadership
• youth physical activity leadership
• adapted physical activity.

Facilities
The facilities of the College of Physical Activity and Sport Sciences include the gymnasium, dance studio, and swimming pool in E. Moore Hall; a gymnasium and fitness center in Stansbury Hall; bowling lanes and billiard area in the Mountainlair; indoor track and sports area in the Shell Building; outdoor areas including the stadium, tennis courts, soccer and field hockey fields, and outdoor track; and the Natatorium with its pool and diving well. The College of Physical Activity and Sport Sciences moved into a new building bordering the Student Recreation Center and intramural fields in the summer of 2014. The new building has nine technology based classrooms, three large seminar/conference rooms, a 46 seat computer lab, research space, a consulting/observation room, multipurpose instructional room, an instructional fitness lab, and faculty offices. Additional faculty and staff offices are in E. Moore Hall, Stansbury Hall, the Natatorium, and the Shell Building.

Credit Load Per Semester
The minimum workload per semester for a full-time student is twelve hours and the maximum workload per semester is twenty hours. However, an advisor may register a student as a part-time student if fewer than twelve hours are required to meet all requirements for the bachelor’s degree. Other exceptions to these regulations may be requested by petitioning the Committee on Academic Standards.

Physical Education Basic Instruction
Physical education classes are open to all students of the University. A wide variety of team, individual, and leisure sports and recreational activities in the form of aquatics, fitness, martial arts, and outdoor adventure are offered. The motto of the Basic Instruction Program is “Play to be fit, and be fit to play” so the aims of the program are to develop:
• An appreciation of the body and its capacity to move
• Movement skills of games, sport, dance, and aquatics
• An appreciation of the value of continued activity throughout all age periods in an individual’s life
• An understanding of the cultural significance of sport and dance
• Concepts of the physiological characteristics of sport and movement

All courses numbered PE 101–293 are at a beginner’s level unless otherwise specified. Repeating an activity is not allowed except at a more advanced level.

**AQUATIC FACILITY MANAGEMENT MINOR**

**MINOR CODE - U080**

The Aquatic Facility Management minor prepares students to manage an aquatic facility effectively and efficiently. The students will have the opportunity to receive four different certifications needed for pool operation. The certifications students can obtain are American Red Cross Lifeguard, Water Safety Instruction, Certified Pool Operator, and Aquatic Aerobics Instructor. Students will get hands-on experience working with pool managers and aquatic directors during their internship. The Aquatic Facility Management Minor requires the completion of all required courses with a letter grade of C or higher. Most of the content for the courses is completed online with skills assessments on weekends or evenings. For more information, contact Valerie Wayda, Chair, Coaching & Teaching Studies at (304) 293-0830 or e-mail at valerie.wayda@mail.wvu.edu or Carol Straight, Advising Center at (304) 293-0839 or email at cstraig@mail.wvu.edu.

A minimum GPA of 2.0 is required in all minor courses.

### GROUP FITNESS MINOR

**MINOR CODE - U089**

The Group Fitness minor is designed to prepare students for a professional career in designing and conducting comprehensive group fitness exercise programs. Students must earn a letter grade of C or higher in all courses.

Students will demonstrate the necessary professional competencies to design and teach group fitness exercise classes in step, hi/lo, interval, and use of resistance equipment using appropriate music tempo and progressive choreography. In addition, students will specialize in three of the following: Fitness Yoga, Indoor Cycling, Mat Pilates, Boxing, and Aqua Fitness. Students will learn to design safe and effective group fitness exercise programs that adhere to all codes, laws, regulations, and procedures within the recognized scope of practice for group fitness instructors set by the American College of Sports Medicine (ACSM) and the American Council on Exercise (ACE). Students must sit for the American Council on Exercise National Certification Exam. For more information, contact Nancy Naternicola, Coordinator at (304) 293-0858 or e-mail at Nancy.Naternicola@mail.wvu.edu.

## SPORTS COMMUNICATION MINOR

### MINOR CODE - U088

The sport communication minor requires courses offered by the WVU College of Physical Activity and Sport Sciences and the College of Media. This blended minor includes both on-campus and online courses, and summer coursework is typically required to complete it.

To earn a minor in sport communication, a minimum grade of C- is required in all minor courses.

Students who double or triple minor in any two or three College of Media minors may only count each course towards one specific minor. In the case of overlapping curricula, students must replace the redundant course(s) with one of the College of Media’s online 200-level or higher open-enrollment courses.

A grade of C- or higher must be earned in all minor courses

STRENGTH AND CONDITIONING MINOR

MINOR CODE - U091

The Strength and Conditioning minor is designed for individuals who would like to be a strength coach at the high school, college, or professional level or a strength and conditioning professional in the fitness/wellness fields. The minor provides students with in-depth understanding of the theory and practical consideration associated with physical training in the areas of speed, agility, strength, endurance, flexibility, and power.

The completion of the minor prepares students to take the Strength and Conditioning Specialist Certification exam offered by the National Strength and Conditioning Association (NSCA). Certification in CPR is required for the CSCS exam. EXPH 364 (or PET 124 & PET 125) and EXPH 365 (or EXPH 369) are pre-requisite courses for ACE 369. ACE 369 is a pre-requisite course for ACE 371 and ACE 372. ACE 371 and ACE 372 are pre-requisites for ACE 475. For more information, contact Guy Hornsby, Coordinator at William.Hornsby@mail.wvu.edu or Carol Straight, Advising Center at (304) 293-0839 or email at cstraig@mail.wvu.edu.

An overall SPA of 2.0 with a letter grade of "C-" or better in all required courses.
