Currently enrolled students, using the official West Virginia University Confidentiality form, may withhold disclosure of Directory Information under the Family Educational Rights and Privacy Act of 1974. To withhold disclosure, completed forms must be received in the Mountaineer Hub or mailed to the Office of the University Registrar at West Virginia University, PO Box 6878, Morgantown, WV 26506. Official forms are available on the OUR website under the forms (https://registrar.wvu.edu/forms) tab. Requests will be processed as soon as possible after receipt.
Students who do not request withholding of Directory Information by submitting a Confidentiality Form are assumed to have approved disclosure of this information. Additionally, a request to withhold Directory Information shall have no effect on previous disclosures, if any, made by WVU before the receipt of a request to withhold Directory Information; nor will a student’s request to withhold Directory Information revoke an otherwise valid written FERPA release already on file with the University. Students may reinstate disclosure of Directory Information by completing the Release Confidentiality form.

Parent/Guest Access to Online Student Records

The Parent/Guest Portal (https://parent-guest.portal.wvu.edu) is the exclusive method by which a University student may grant a third-party access to their records. Information that is protected from disclosure pursuant to the Family Educational Rights and Privacy Act (FERPA), such as grades, financial aid details, and student account/billing information is maintained in a secure online environment. A student may grant permission to a parent or guest to access this information and make payments through this portal. Due to the protection of students’ rights under FERPA, a student may restrict the information that a parent or guest is able to access and revoke access at any time.
