Landscape Studies

MINOR CODE- U084

The undergraduate minor in landscape studies is offered to any student enrolled at West Virginia University who is interested in gaining a broad understanding of the body of knowledge and the skills involved with landscape architecture. The main focus of the minor is to provide students with a comprehensive landscape architecture theoretical background, including both cultural and historical issues related to the discipline, and planning and design issues at an urban and a regional scale. Students can select among a variety of courses depending on their own interest.

Completion of a minor in landscape studies will require a grade of C or better in all courses. Students completing the minor are required to take:

A grade of C or higher must be earned in all minor courses
