Minor Code - U134

The Music Industry minor provides a strategic core course of study for students interested in pursuing music industry as a secondary field of study. Its curriculum is designed to equip students with the fundamental analytical and creative knowledge and skills necessary for commercial practice in the music industry. The curriculum consists of online courses, representing a cohesive academic core, covering all the fundamental, interrelated and interdependent segments of the music industry through methodical study of its foundations, commerce, management and operations.
