

Pest Management

Minor Contact

- Sven Verlinden (sven.verlinden@mail.wvu.edu)

Minor Code - U059

This minor is designed to introduce students to insects, plant pathogens, and weeds as pests that attack or compete with agricultural crops, ornamentals, and forest trees. Emphasis will be placed on environmentally sound management systems based on cultural, biological, and chemical strategies. This program complements current degrees and strengthens the background of students in horticulture, crops agronomy, environmental protection and other majors in biological sciences. A minimum GPA of 2.0 is required in all minor courses.

Code	Title	Hours
A grade of C or higher must be earned in all minor courses		
Minor Requirements		
Select one of the following:		4
ENTO 412	Pest Management	
ENVP 412	Pest Management
