It is the responsibility of the student to obtain information about the minor and to complete all of the required courses. Minors are welcome to audition for and participate in all School productions.

At the time of application for graduation, the student must indicate that they wish to be certified as a minor. Successful completion of the minor will be submitted to the University Registrars Office by the student’s major degree program to be recorded on the student’s official transcript.

Minor Code - U043

By focusing on three broad areas—history and theory, performance, and production—the minor in Theatre provides students with an overview of the profession and the opportunity to complete elective courses in areas where they have the greatest interest, such as acting, directing, stage design, voice, stage movement, playwriting, and puppetry. Performance opportunities may also be available for students pursuing the Theatre minor. A minimum GPA of 2.0 is required in all minor courses.
