Center for Veteran, Military and Family Programs

The Center for Veteran, Military and Family Programs (<https://wvuveterans.wvu.edu/home/>) (CVMF) at WVU assists in providing academic, personal and professional support for all military connected students in a welcoming environment. The center is open to all veterans, armed forces personnel and dependents of current and former military service members.

For information on how to start your VA educational benefits (Chapter 30, 33, 35, and 1606) go to: U.S. Department of Veteran Affairs (<https://www.va.gov/>).

All students receiving VA educational benefits for the first time will need to apply for the benefit by going to U.S. Department of Veteran Affairs (<https://www.va.gov/>). If you are approved, you will be sent a Certificate of Eligibility (CoE) in the mail. Please note this process may take 30-45 days. All students using VA educational benefits and Chapter 31 will need to complete the Intake Form found on the main page of Veterans at West Virginia University (<https://veterans.wvu.edu/>).

Undergraduate students who wish to receive the full stipend of VA Educational benefits in the fall and spring semesters, must maintain a minimum of 12-degree pursuant credit hours for the full semester. Degree pursuant coursework can be defined as courses recorded as degree requirements, degree electives, course prerequisites, required general education courses, military science credit for ROTC and minors **required** by a chosen major as stated in the WVU Catalog (<http://catalog.wvu.edu/>). Students must request to be certified for terms other than fall/spring by contacting the Center for Veteran, Military and Family Programs (<https://wvuveterans.wvu.edu/>).

Students receiving Chapter 33 (Post 9/11) benefits need to be aware charges for housing and meal plans will be the student's responsibility to pay up front.

Undergraduate students receiving benefits must declare a major or non-exploratory pathway by the time they reach 29 earned hours. Students must matriculate into their intended degree program by 59 earned hours. If this does not happen, the student cannot be certified for benefits.

For VA purposes, students receiving benefits will be certified as on-campus, hybrid (low-modality) or online. On-campus and hybrid programs receive a higher rate for Monthly Housing Allowance (MHA) than completely online students. Visit the GI Bill Comparison Tool (<https://www.va.gov/education/gi-bill-comparison-tool/>) to compare rates. Hybrid programs are those in which on-campus student attendance is required at least one time per term. Students must sign in for the academic session and inform the professor to send proof of attendance to the certifying official on campus. The certifying official will recertify benefits at the higher MHA rate. Meetings that take place before or after the class begins or ends (such as orientations), will not count toward hybrid certification. *MHA will not be affected for active duty students receiving Federal Tuition Assistance.

For more information on modality definitions, visit WVU Catalog (http://catalog.wvu.edu/undergraduate/programs_courses__enrollment/#Modality).

West Virginia Army and Air National Guard will apply for state tuition assistance by going to: WV Educational Encouragement Program (<https://apps.wv.gov/WVEEP/>)

FEDERAL TUITION ASSISTANCE

Active Duty Service members and WV Army National Guard Students have the option to use federal tuition assistance. Please visit the Center for Veteran, Military and Family Programs (<https://wvuveterans.wvu.edu/home/>) to see the stipulations for each branch of service.
