

# School of Business

---

## General Information

The School of Business serves in building the skills and abilities necessary for the functions of an organization; whether it is business, government, or not-for-profit; as well as preparing students for graduate/professional study. It provides a variety of programs, serving professions such as accounting, hospitality and tourism, sports management, and general business, with additional areas-of-emphasis in healthcare or adventure recreation management. The programs train individuals to serve and solve real-world problems in society, helping and fulfilling the needs of others in communities, the state, and the nation. Additionally, we offer a wide range of online courses designed to meet the needs and interests of the traditional and non-traditional student.
