Veterans

All students receiving VA benefits for the first time will need to apply by going to U.S. Department of Veteran Affairs (https://www.va.gov/). If you are approved, you will be sent a Certificate of Eligibility (CoE) in the mail. Please note this process may take 30-45 days. Visit the Center for Veteran, Military and Family Programs (https://wvuveterans.wvu.edu/home/) to view additional documentation needed for benefit certification.

Undergraduate students who wish to receive the full stipend of VA Educational benefits in the fall and spring semesters, must maintain a minimum of 12-degree pursuing credit hours. Degree pursuing coursework can be defined as courses recorded as degree requirements, degree electives, course prerequisites, required general education courses, military science credit for ROTC and minors required by a chosen major as stated in the WVU Catalog (http://catalog.wvu.edu/). Students must request to be certified for terms other than fall/spring by contacting the Center for Veteran, Military and Family Programs (https://wvuveterans.wvu.edu/).

Students receiving benefits need to be aware that charges for housing and meal plans will be the student’s responsibility to pay up front. Stipends from the VA will begin approximately one month after the certification process is completed.

Undergraduate students receiving benefits must declare a major or non-exploratory pathway by the time they reach 29 earned hours. Students must matriculate into their intended degree program by 59 earned hours. If this does not happen, the student cannot be certified for benefit payment.

Undergraduate and graduate students who wish to receive VA Educational benefits, should follow the rate of pursuit calculator located at the Rate of Pursuit (https://wvuveterans.wvu.edu/current-students/summer-credits-for-full-time-status/) to determine the amount of benefit he/she will receive. The number of credit hours corresponding to the number of weeks in class and the modality in which the course is taught, will determine if full time status is met. Please speak with your academic adviser to confirm credits are degree pursuant.

For VA purposes, students receiving benefits will be certified as on-campus, hybrid (low-modality) or online. On-campus and hybrid programs receive a higher rate for Basic Allowance for Housing (BAH) than online. Visit https://www.va.gov/gi-bill-comparison-tool/ to compare rates. Hybrid programs are those in which on-campus student attendance is required at least one time per term. Students must sign in for the academic session and inform the professor to send proof of attendance to the certifying official on campus. The certifying official will recertify benefits at the higher BAH rate. Meetings that take place before or after the class begins or ends (such as orientations), will not count toward hybrid certification. *BAH will not be affected for active duty students receiving Federal Tuition Assistance.

For more information on modality definitions, visit WVU Catalog (http://catalog.wvu.edu/undergraduate/programs_courses__enrollment/#Modality).

For questions regarding VA payments for housing and book stipends, or to see if you are eligible for VA benefits, please call the VA Education Hotline (https://www.benefits.va.gov/gi-bill/contact_us.asp) at 888-442-4551.

PRIOR CREDIT EVALUATION

All student veterans are required to submit a Prior Credit Evaluation Form within two semesters of coming to WVU in order to be certified for benefits. It will be the student’s responsibility to inform a certifying official if his/her major has changed. The certifying official will send a Prior Credit Evaluation Form to the student’s adviser to list the amount of credits to be used for the new major of choice.

However, to qualify for this provision, such students may be required to:  

- Produce the VA’s Certificate of Eligibility by the first day of class;
